at this office, at five cents per copy.

Chair and C. V. Eskridge chosen Secretary. The usual business of such a meeting having been transacted, a motion was made and carried to meet again at this place at 7 o'clock on Tuesday, August 11th, 1857, with a view of adopting all the necessary measures for establishing a Lodge at this point. All members of the order in this vieinity are requested to be present. WM. GRIMSLEY, Ch'n.

C. V. ESERIDGE, Sec'y.

The erection of a Methodist church will be commenced in this place in a few weeks.

On last Monday night we had a small shower-not enough to quench the thirst of the parched and heated earth, although it had quite a good effect on the crops. The weather, since that time, has been cooler and more comfortable. In almost every direction from here, a few miles off, a much larger quantity of rain fell than at this point.

We are gratified to know that but one out of the six Delegates elected to the Topeka Convention, from this District, voted for Parroit. The Delegates from Southern Kanzas went against him almost unanimously.

A "Loafer's Club" has been organized in Emporia, which promises to be very successful. The rules of the club are very rigid. One of them is to the effect that any member guilty of screating al all be fineda repetition of the offence is punished by compelling the guilty one to walk thirty steps in the sun, without stopping or assist-

The Railroad Meeting.

The Railroad meeting hell at this place on the 21st, inst., although not exactly such a meeting as we had anticipated, was yet more satisfactory than we had reason to believe it would be. Information had been received the evening previous that the diffithe attendance of the speakers and others who were expected from that place, and it who were expected from that place, and that immediate measures be taken to ascertain to a certainty the most feasible, direct and cheap route between Topeka and Emporia.

Resolved, That we will extend to such road, and to all reals extending through or to the Neosho Vailey, all the aid and assistance in our power—

tles, of Moneka, and W. A. Ela, of Hampden arrived. At 11 o'clock the people assembled concluded that, as interested parties ing of any railroads we should ever have of seven on Resolutions and then adjourned earth. Swisher, Abells, A. S. Frazer and Z. Stubbs. Soon after the meeting adjourned, Col. C. St. Joseph Railroad, and Prof. W. Oakley,

arrived from Topeka. At 2 P. M. the people again assembled. about an hour in a clear and forcible manner. His speech was replete with sound and confacts. He commenced by alluding to the influence their construction would have upon the prosperity of the whole country .-His remarks were, however, chiefly confined important connections by way of the great the world with ideas? extension of the Topeka and St. Joseph amble to the Resolutions. the desired aid from Congress. The St. After which the meeting adjourned.

The Kanzas News. direction. Col. Holliday concluded by saying that he was confident, from the obser-A. F. and A. M. was held at Emperis on the 21st sion of all, and so practical, had a very visinst., at which Wm. Grimeley was called to the lible effect upon the people. Our meagre

Prof. Oakley followed in a short but interesting speech. The Prof. is alive on the subject of railroads in Kanzas. We shall be happy to hear from him again, more at length, on this subject.

The Committee on Resolutions reported Read the advertisement headed "\$50,00 the following, which were unanimously adopted:

WHEREAS, In this period of the world to be without Railroads is to be deprived of one of the greatest agencies of modern civilization and the means for Agricultural, Commercial and Literary

Muereas, The lull of war among the nations

Whereas, The bull of war among the nations and the increase of facilities for intercourse between the continents, by Steamships, Submarine Telegraphs, &c., mark this as an auspicious ern for calling the attention of man to the great works of unitary interest and national well-being which Railreads are calculated to develop; and Whereas, Kanzas, by occupying a central position on the Western Continent, mid-way from the Atlantic to the Pseific, is peculiarly interested in this material matter of Railroads—as through her borders must pass the first Railroad to the Pacific; and

Resolved. That the people of Emporia and vi-cinity, recognizing the importance of their posi-tion as a great center in Kanzas, will co-operate fully and heartily with the different towns and communities along any practicable route of con-nection with the East, South or North, which

arrive and continued coming in until near noon. During this time Mr. John O. Watof all social ties.

After the passage of the Resolutions, Mr. John O. Wattles, of Moneka, spoke .and the ones on whose shoulders the buildcould do it justice. It was one of rare would fall, they would meet and discuss the cloquence and beauty. We shall not atmatter among themselves and find out the state of their own minds on the subject.—

He said that Railroads were not local, but They accordingly organzied by appointing a Chairman and Secretary and a Committee alding, by their coming, the millennium, A people quietly pursuing their regular round that in this particular, as in that of of Messrs. John O. Wateles, of Moneka, W. A. Ela, of Hampden, P. B. Plumb, W. B.

Plows! Plows! Plews! W E call especial attention to the following advertisement, from which it will be seen that we are the only agents in Kanzas, for the sale of the Celebrated Moline Center Draft Plow. We have sold several hundred of them this season, and all give perfect satisfaction.

ALLEN & GILMORE.

John Decre's Moline Plows in Kanzasl
O's the opening of navigation in the spring, I
shall send to Messrs. Allen & Gilmore, Lawrence, K. T., a large assortment of Breakers of all
sizes, especially of my extra Two-Horse Meuld
Board Breakers, which has received the highest
commendations from all who have used them; also a great variety of Stirring, or old Ground Plows,
among which I would mention the Improved Clipper, the No. 4 or Roy. east steel Plow, and the
Hichigan Double or Subsoil Plow, which should
receive the especial attention of those who wish to
raise a crop the Brot year. I have made some unprovements on this plow from last year, and I believe it is now perfect to be used on Western soil.
Also, Corn Plows, Cultivaters, double and single
Shovel Plows, Rolling Cutters and Chaps, Gauge
Wheels, Truck Wheels, and other Plow fixtures.
The quality of the stock used in my plows is not
equalled by any establishment in the West, and
the plows are finished in a very superior style.
Having been engaged for eighteen years in the
manufacture of plows for use in the Western States John Deere's Moline Plows in Kanzas!
